

INSURANCE, SERVICING, TYRES, ROAD TAX, MOTs, ACCIDENT MANAGEMENT, ZERO DEPOSIT.

(We even throw in a car.)

With the Tusker salary sacrifice scheme, you get more than a new car. Your one fixed monthly amount includes servicing, road tax and insurance as well as other benefits including savings on tax and National Insurance.* And your amount stays fixed for the length of your agreement, meaning no surprises and easier budgeting.

Now that's something to smile about.
